

Easter Banner Instructions

1. Print out the banner flag sheets. For large banners, print at size, and for small banners, print as a booklet. Use card stock paper for best results.
2. Cut out the banner flags by following the green outline.
3. Chose a method for assembly:

Hole Punch Method
Hole punch the top two corners on each flag. String a piece of ribbon in the holes as shown.

Tape Method
Place the banners face down. Line up the ribbon and tape the two corners of each flag.
5. Once you have chosen your method, spruce the banner up with ribbon on the ends.
6. Hang and enjoy your festive new decorations!
